

Can I decorate my cap?

For several years, we have allowed graduates to decorate their caps. Typically, they are very well done! The key is this: your cap should not in any way prove to be a distraction from anyone else's moment. This is why we have the following guidelines in place.

Yes!

- School appropriate content
- Inspirational quotes or sayings
- Thank you to your family or friends
- Future plans...college, military, etc.
- Artistic designs
- Stickers, paint, decals, paper

No!

- References to or pictures of alcohol, drugs, sex, or weapons (including military/police)
- Profanity
- Three-dimensional decorations
- Decorations that extend beyond, above, or below the surface of the mortarboard
- Battery-powered or motorized elements
