

## Civic & Social Expectation #2

Contribute to a safe and supportive learning environment.

Indicators	4	3	2	1
I contribute to a safe learning environment by making good choices about the things I bring to school and say in school.				
I contribute to a safe learning environment by following along with proper protocols for fire drills and lockdowns.				
I contribute to a safe learning environment by maintaining clean and safe work spaces. (labs, workshops, classrooms, cafe).				
I contribute to a safe learning environment by reporting potential threats to the students, staff and building.				
I contribute to a supportive learning environment by supporting other students. This might include participating and assisting with classwork, providing constructive feedback to presentations, working with students in other grades, or volunteering as a peer tutor.				
I contribute to a supportive learning environment by exhibiting social self care. Examples include, working well in groups, avoiding negative behaviors and influences, striving to be the best that I can be.				
I contribute to a supportive learning environment by participating in groups/organizations that promote the acceptance and support of diverse populations (examples include Unified Sports, More Than Words, GSA).				
I contribute to a supportive learning environment by advocating for peers, such as speaking up against bullying and unkindness.				

Add up all of your 4's, 3's, 2's, and 1's for a score: \_\_\_\_\_

Identify your rating based on your score above. Then record this on the cover sheet.			
Exceeds Standard	Meets Standard	Approaching Standard	Below Standard
