11:15 - 2:00pm**

Opt Out and Cohort B students may come anytime during the 7:30-10:30am window. Hustle in, hustle out...no contact with Cohort A.

Pictures will be in the library. Opt Out and Cohort B kids **must** enter through the double doors at the library/aud.

## What do parents need to know or do?

**I received the pictures we ordered, and they look great!**

Wonderful! You are all set. Cut them neatly, paste them into your School Days books, frame them proudly, or mail them off to the doting grandparents and proud aunts and uncles!

**I received the proofs and would like to order prints!**

Outstanding! Follow the instructions printed clearly on the photo proof paperwork. You can visit [mylifetouch.com](http://mylifetouch.com), enter the portrait and student codes on the proof, and see your options.

**My child missed picture day entirely, OR, my child looks like Frankenstein in his or her first round picture!**

If your child missed pictures entirely and belongs to **Cohort B** or **Cohort C (opt out)**, they will need to come to school anytime from 7:30-10:30am, enter via the library entrance, and sit for a photo. You can pre-order at [mylifetouch.com](http://mylifetouch.com) or wait for proofs.

If your child missed pictures and belongs to **Cohort A**, they will get pictures in the 11:15-2:00pm window...11:15-12:00 for freshmen, 12:00-12:45 for sophomores, 12:45-1:30 for juniors, 1:30-2:00 for kids who forget.

If your child needs retakes, they report during their designated time, based on cohort or grade. They must bring the Frankenstein-looking picture package back with them!
