

WHAT IF IT SNOWS DURING EXAM WEEK?!

① *School Cancellation — total snow day*

In the event of a school cancellation (snow day) on an exam day, the whole schedule will move forward. For instance, if Tuesday, January 22, is a snow day, then Tuesday's exams will move to take place on Wednesday, January 23, and Wednesday's exams would bump out to Thursday, January 24. **Caveat: The Tuesday, 1/22, exams will remain 3A and 4A. So, the 1/17 exams would bump to 1/18, but the 1/18 exams would bump to the end of the cycle on Thursday, 1/24.**

② *Delayed Opening — two-hour delay*

In the event of a delayed opening on an exam day, both exams will still be given. The entire schedule will simply move to accommodate the two-hour delay. This means that the first exam would be from 9:42 to 11:12, and the second would be from 11:30 to 1:00.
